CAPE TOWN
3 NIGHT INCENTIVE TRIP
With a distinct flavour of its own, affected in no small part by the cultural melting pot of Indonesian, French, Dutch, British and German settlers who each indelibly stamped their mark upon the foundations of the city, Cape Town is one of the most beautiful cities in the world today. The inner city is an eclectic mix of architectural styles that combine the past with the present in a mishmash of high-rise office blocks, Edwardian and Victorian buildings and narrow, cobblestone streets that give rise to fine Examples of Cape Dutch design.
