GILTEDGE DMC PRESENTING

CAPE TOWN & VICTORIA FALLS
7 NIGHT INCENTIVE TRIP
With a distinct flavour of its own, affected in no small part by the cultural melting pot of Indonesian, French, Dutch, British and German settlers who each indelibly stamped their mark upon the foundations of the city, Cape Town is one of the most beautiful cities in the world today. The inner city is an eclectic mix of architectural styles that combine the past with the present in a mishmash of high-rise office blocks, Edwardian and Victorian buildings and narrow, cobblestone streets that give rise to fine Examples of Cape Dutch design.

The Victoria falls is 1,708 meters wide, making it the largest curtain of water in the world. It drops between 90m and 107m into the Zambezi Gorge and an average of 550,000 cubic meters of water plummet over the edge every minute. The falls and the surrounding area have been declared National Parks and a World Heritage Site, thus preserving the area from excessive commercialization. A number of activities can be undertaken. The 'Flight of Angels' provides a fabulous vista of the falls, the upstream river and its many islands and for the more adventurous there is microlighting with stunning views of the Fall. Rafting the wild rapids below the Falls is a very popular adventure. Visitors can also kayak, canoe, fish, go on guided walking safaris, ride on horseback and lunch on Livingstone's Island.
